00058 Hi Ed!
00059 This is David Craig calling. You may remember me from several years back. I
00060 obtained some /// materials from your BBS and the /// Pascal Toolkit manual (thanks).
00061 I'm just calling to say hi and see how your /// BBS is doing. I'm pleased
00062 to see that it's still up since I had assumed it would be gone by now. FYI,
00063 Dave Ottalini at WAP provided me with your BBS number.
00064
00065 I'm also on CompuServe at 71533,606.
