

**LEISURE SUIT LARRY  
IN THE LAND OF THE LOUNGE LIZARDS™  
REFERENCE CARD**

**HOW TO PLAY SLOTS**

1. Walk to the machine. Type "PLAY SLOTS".
2. When you are finished, type "EXIT SLOTS".

**HOW TO PLAY BLACKJACK**

The object is to get as close to 21 points as possible without going over. Face cards count 10 points each, and aces count as 1 or 11 points, whichever is to your advantage. You are dealt 2 cards to begin with.

**HOW TO BET**

Sit down at the table. Type "BET". You will be asked to specify an amount. (This house only accepts bets in \$2 increments.)

**INSURANCE**

When the house dealer shows an "Ace Up," you will be asked if you want insurance. Insurance equals half of your wager. Use insurance cautiously. If the dealer has blackjack (21) you will be paid off at 2 to 1 odds.

**SURRENDER**

If you do not like the odds after reviewing your initial two cards, you may "SURRENDER." Half of your wager will be refunded to you.

**TAKING CARDS**

After receiving your first two cards, you must decide if you want to take more or to "STAND" on what you've got. Type the appropriate option.

**DOUBLING DOWN**

You are allowed to "double down" if your cards show a value of 10 or 11. Your bet is doubled and you are dealt one more card.

## **SPLITS**

If the house deals you a pair (any two like cards, i.e. two tens) you may "SPLIT" them. This move allows you to play two hands and double your bet.

## **TO QUIT PLAYING**

Type "STAND UP" at the end of a hand.

## **TALKING TO WOMEN**

Learning this will be your number one priority while in Lost Wages. When you want to talk to a woman, type "TALK TO THE WOMAN". If you happen to get her name, type "TALK TO (NAME)".

Women can be loads of fun. They are great to "LOOK" at. They are fun to "DANCE" with. You could even try to "KISS" them. Nothing is off-limits if you "PLAY YOUR CARDS RIGHT".

Women are also fickle. Do not take 'no' for an answer. Be persistent. With a little sweat and a lot of luck you could wind up being a happy guy.

## **TRANSPORTING YOURSELF**

Getting from place to place is very crucial. To walk somewhere, simply use the direction keys, your joystick, or a mouse. You can move Larry practically anywhere.

## **TAXI SERVICE**

Catching cabs is a convenient way to get around Lost Wages. Look for taxi stand signs near the curb at most major establishments. Please note that you should not keep a taxi waiting. When the cab pulls up, walk directly to the rear door and type "ENTER CAB".

## **ELEVATORS**

You can use elevators anywhere they are accessible. The Lost Wages Casino is a full nine stories tall - a trip up the stairs could waste your whole night. Just walk into the elevator car and type "PRESS ONE" (or whichever floor you choose). Note that some elevators are restricted in use.
